Secretary General  
Asia-Pacific Telecommunity

5 April 2019

Your Excellency,

On behalf of the Republic of Korea, it is my great pleasure to formally inform you that Korea has decided to nominate Senior Director Mr. Sang-hun Lee as a candidate for the post of Deputy Secretary General of the Asia-Pacific Telecommunity.

Mr. Sang-hun Lee has garnered extensive international experience in telecommunication since he joined the Ministry of Science and ICT in 2004. Moreover, Mr. Lee has exerted substantial efforts to the APT as one of the most devoted ICT experts in Korea. With his experience and passion, I am confident that he is certainly well qualified for the position of Deputy Secretary General.

I would also like to inform you that Korea is willing to host the 15<sup>th</sup> Session of the General Assembly and the 44<sup>th</sup> Session of the Management Committee of the Asia-Pacific Telecommunity in 2020. I believe that Korea, one of the 15 founding members, will be able to expand its contribution to the activities of the APT through this opportunity.

With the objective of continuing as well as strengthening its cooperation with the APT, the government of Korea endorses the candidature of Mr. Lee and expresses its intention to host the next General Assembly and the Management Committee. I believe that we can build a brighter future for the Asia-Pacific region together.

Yours sincerely,

Wonki Min

Vice Minister  
Ministry of Science and ICT  
Republic of Korea
